Little Mermaid Crew Assignments

We still need people for Marketing, Ushering, and Costumes! If you are on Run Crew only, please consider also helping with Marketing- we need artistic and dedicated people and you can do both jobs. If you are Set Building only, consider also doing Costumes or Ushering if you want a duty to do during the show and want another creative outlet! You can do more than one role if you help in these areas- most people were given only one position. If you don't see your name on here it is because I have not received a crew form from you! Any questions email me at khudson@trailsidemiddleschoolpta.org.
