Gertrude- the below makeup without the jewels (and glitter optional). Also add the yellow diamond beak (see bird girls picture). Hair- High pony and possibly curled

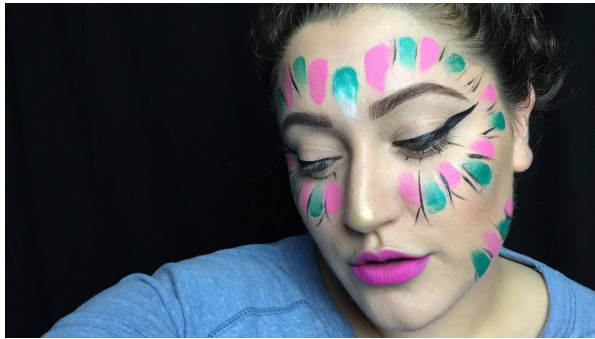

Bird Girl (Soloist) and Mayzie- Large feathering masks around the eyes and face. Flourishing designs. The colors should match their tails. Hair can be down but pinned out of face or up

ALL BIRDS should have Yellow Diamond Beak (See Above)

Bird Girl Ensemble- a feathering effect around the eyes, not as big as above. These can all be different types of looks. Hair can be down but needs to be pinned out of face or up.

Sour and Young Kangaroo- Nose should be black with liner around the nose and hair to look like ears. Hair should be high pigtails or buns respectively.

<-Make Up (eyes only)

The Grinch- Hair Green. (Rachel pull yours back) and make up essentially identical to this.
